Yale 11; Imlay City 7.

Friday last was opening day for
Yale's first nine and the Imlay City
team came over to help make the day
interesting for our base ball fans. The
weather man dished up the best he had,
which was a fine sunshiny afternoon,
and at promptly 2 o'clock the umpire
called "play ball" and the game was on.

Yale took a big lead right at the start
and held it up to the seventh inning
when the visitors tied the score, and
for a time the result was in doubt, but
the superior playing by our boys, and
their ability to touch up the opponents
for early hits soon placed them on the
winning side. Score at the finish
was 11 to 7 in favor of Yale. Shaver
who pitched the heaviest end of the
game certainly is some pitcher and
House also had the Imlay bunch
mystified. With a little hard practice
and a few changes in the lineup, Yale
has an elegant show-down for putting
up one of the fastest little teams this
year that can be found in the Thumb.

On Friday the Yale team will make
a try for the Memphis team's goat.

The Emmett News came back at us
last week with a rather "neat" on
our write up of the Decoration day
game, which boiled down to the grave-
yard, said, Emmett has always beaten Yale.
Hark back to Sept. 22, 1908, and hark
several times more. The score that
day almost rivalled the immortal figures
of Emmett's political saint, Bill B. and
his 16 to 1, only the real score that trip
was 16 to 3, and if our memory serves
us correctly the left field was instructed
to slip a fly for politeness sake. Our
write up was not intentionally raw,
merely a specimen of Base Ball English
as she's writ and permissible where
red blood flows.

A Pleasurable Occasion.

A party made up of Mr. and Mrs. W.
H. Fletcher, Mr. and Mrs. Will McPhee,
Mr. and Mrs. Chas. Rounds, Mr. and
Mrs. Aaron Windsor, Mr. and Mrs.
John Holden, Mr. and Mrs. J. A. Men-
zies, daughters Ruth and Grace and
Ruth Ellis drove to Beard's Hill in
three machines Tuesday morning and
spent every pleasant day amidst its
delightful scenery.

Dinner and supper were eaten in
true picnic style, with fresh fish caught
from the river and cooked over an
alcohol lamp, adding great zest to the
sport of the day but about all the party
brought home was sunburn and blis-
tered noses.

This day was planned as a celebra-
tion of Mrs. Fletcher's birthday and
certainly was a pleasurable occasion all
around.

was given in honor of their friend Miss
Green.

Cedarwood Beach on Lake Huron,
sixteen miles east of Yale, is a very
desirable place to spend your summer

splendid bathing and cool breezes from
the lake. Campers are welcome to
pitch their tents on this property and
to enjoy all the pleasures of the spot free.
Picnic parties are invited also.

You don't want to get hurt. No one wants to get hurt when having
their teeth fixed, and we don't blame them either. Why should you
submit to old and ancient methods in getting dental work done any
more than you would illuminate your homes with the old fashioned
candles that were considered first-class lighting systems 59 years ago.
You would not think of driving to town behind a yoke of oxen, would
you now? Then why allow ANY DENTIST to hurt you when SO MANY
of your neighbors can tell you of OUR OWN PAINLESS SYSTEM OF DO-
ING DENTAL WORK of any kind. DON'T YOU STAND FOR IT! De-
mand real PAINLESS work, and by the way demand a WRITTEN
GUARANTEE with all your work. You are ENTITLED to it. We
KNOW HOW to do this. It is OUR BUSINESS TO KNOW THIS.

train in the MORNING and we will have your dental work done in time
to GET YOUR EVENING TRAIN HOME the SAME DAY. It makes no
difference how complicated your dental job is, we employ an office staff
of Five, always ready FOR YOU. WRITE us a few days before you come
if you possibly can do this so we will have sufficient time for you on
the day you come. If you CANNOT write AHEAD, come ANYWAY and
we will arrange for you. Our prices are the REAL and only CUT
RATES in this county.

We will make you a FULL SINGLE set of teeth from \$5.00, upward, FULLY
GUARANTEED. Silver fillings cost you 50c up. Pure Gold fillings, \$1 up, ac-
cording to size. Solid 22 Karat Gold Crowns, \$4 and \$5. Bridge Work, \$4 & \$5.
